Dear Coordinators of MPhil/PhD Courses,

Kindly refer to the VC Prof. Varghese's email dated 2nd Nov, 2017 regarding revision of MPhil Curriculum as per new UGC Guideline and his reinforcement about the same in the faculty meeting held on 7 Nov, 2017.

The revision will focus on updating contents, references and adjusting the contents of the courses as per the credit distribution based on the UGC guidelines of 2016. Each of the compulsory courses will be of 2 credits which means 36 contact sessions of one hour each (one credit = 18 hours i.e. 18 sessions of one hour each). Similarly each of the optional courses will be of 1 credit with implication of having 18 contact sessions of one hour each.

All the co-ordinators are requested to form their own working groups and hold meetings for discussion, revision and finalization of their courses at the earliest possible. Besides the faculty members already teaching the respective courses, the co-ordinators may include other faculty members whose expertise and interest areas fall under the content areas of the courses. We expect to receive revised draft versions of all the revised courses on/by 1 December, 2017, for sharing, discussion in general faculty meeting with external experts and finalization. The soft copy of the existing Curriculum Guide is attached for perusal and further use.

Look forward to working together and completing the tasks assigned.

Warm regards,

Avinash

Dear Colleague (Co-ordinators and Members of the Working Groups),

Greetings of the Season,

This has reference to my earlier email dated 16 November, 2017 regarding revision of the MPhil Curriculum Guide. Although some of the working groups/coordinators have already done one round of meeting with members of their working groups in this regard and revised their courses, the majority are left to do so.

In this regard, this is to inform that in consultation with the Vice Chancellor, Prof. N V Varghese, the following dates have been scheduled for discussion on the revision and finalization of the course curriculum :

- 11 January, 2018 at 9:30 AM (in Room 113) Presentation of the revised courses (both CCs+OCs) in All Faculty Meeting chaired by the Vice Chancellor (whole day meeting and lunch will be provided);
- 6 February, 2018 10:00 AM (in Room 113) Presentation of the updated and revised Courses before the external experts;

All the co-ordinators who have not revised their courses so far, are therefore further requested to hold meetings with their own working groups and do the revision of their Compulsory and Optional Courses. The soft copies of the earlier version of the courses are attached for your reference and further use. We are glad that some of the co-ordinators have co-opted more members in their working groups. Others may also do so, if need be.

The points of revision remain the same as communicated earlier. That is, the revision will focus on updating contents, references and adjusting the contents of the courses as per the credit distribution based on the UGC guidelines of 2016. Each of the compulsory courses will be of 2 credits which means 36 contact sessions of one hour each (one credit = 18 hours i.e. 18 sessions of one hour each). Similarly each of the optional courses will be of 1 credit with implication of having 18 contact sessions of one hour each.

We expect to receive revised versions of all the courses a week before the meeting i.e. on/by 4 January, 2017, for consolidation, sharing and discussion. The soft copies of the existing Curriculum Guide is attached for perusal and further use.

Look forward to working together and completing the tasks assigned.

Warm regards,

Avinash
