# Excerpts from the Prospectus to Facilitate the Preparation of Brief Write-Up 2010-11

## 1. Broad areas of research covering all levels and types of education

- Educational Policy
- Educational Planning
- Educational Administration
- Educational Finance
- Educational Management Information System
- School Education
- Higher Education
- Equity and Inclusion in Education
- Gender Issues in Education
- Education of the Minority
- Comparative Education
- Education and Globalization

## 2. Outline for the Brief Write-up

The brief write-up should be structured around the proposed topic incorporating therein the importance of the topic, the analytical review of the existing literature on the chosen topic and the research issues proposed to be addressed by the candidate. In each area mentioned, the focus of the proposed write-up should specifically bear upon aspects related to educational policy, planning, administration and finance as the case may be. Suggested outline for the brief write-up is given as under:

- Statement of the problem/topic
- Rationale of the study, i.e. importance and need for the proposed study;
- Brief review of related literature;
- Objectives/research questions;
- Design of the study;
- Proposed methodology;
- Database and instruments for data collection (if any)
- Expected outcomes; and
- Implications of the proposed research.
