

INTERNATIONAL PROGRAMME FOR EDUCATIONAL ADMINISTRATORS

17 JULY TO 11 AUGUST, 2017

THE UNIVERSITY

The National University of Educational Planning and Administration (NUEPA) is a premier organization engaged in capacity building and research in policy making, planning and administration of education. The University was established by the Ministry of Human Resource Development, Government of India. The University is an apex national institution of educational planning and administration and is actively engaged in educational research, training and consultancy.

The National University has its origin dating back to 1962, when UNESCO established the Asia Regional Centre for Educational Planners, Administrators and Supervisors, which later became the Asian Institute of Educational Planning and Administration (AIEPA) in 1965. In 1973, the institute was taken over by the Government of India and merged in the National Staff College for Educational Planners and Administrators as its Asian Programme Division. Subsequently, in 1979 it was again renamed as the National Institute of Educational Planning and Administration (NIEPA).

INTERNATIONAL PROGRAMME FOR EDUCATIONAL ADMINISTRATORS

NUEPA is glad to announce the launch of a short-term programme for the educational planners and administrators which has been conceptualised keeping in view their work load and constraints to participate in a long term programme. This four week short-duration programme will enable the educational officials to keep abreast recent developments in the field of educational planning and management taking place in the world of education as well as share information and experiences with other participating countries and explore possibilities for adapting innovations and changes which have been implemented and are successful.

Eligibility

1. Educational personnel engaged in the planning and administration of elementary, secondary and tertiary sectors of education at the national, provincial, district or institutional level and also at the system level (i.e., Ministry of Personnel or Staff of Directorates of Education).
2. Heads of educational institutions, regional and district education departments, teacher-training colleges who are likely to assume higher responsibilities in educational planning and administration.

It may kindly be noted that school and university teachers are not eligible for this programme.

PROGRAMME DESIGN AND METHODOLOGY

The Programme is for the four weeks duration and methodology tries to strike a balance between theory and practice. The overall methodology of the Programme comprises the principles and methods used for instruction with a special focus on case study method and academic exercise at the micro level, besides focusing on educational and cultural field visits, and seminars by eminent educationists.
