Vision

To evolve a humane learning society through advancement of knowledge

Mission

To become a centre of excellence in educational policy, planning and management by promoting advanced level teaching, research and capacity building in national and global contexts

Genesis of NUEPA

The National University of Educational Planning and Administration (NUEPA) has its origin dating back to 1962 when the UNESCO established the Asian Regional Centre for Educational Planners, Administrators and Supervisors which later became the Asian Institute of Educational Planning and Administration (AIEPA) in 1965. The AIEPA was later on merged with the National Staff College for Educational Planners and Administrators as its Asian Programs Division in 1973. Subsequently, with increasing role and functions of the National Staff College, particularly in capacity building, research and professional support services to the state governments, it was again renamed as the National Institute of Educational Planning and Administration (NIEPA) in 1979. In recognition of the pioneering work done by the organization in the field of educational planning and administration, the Ministry of Human Resource Development, Government of India has empowered NUEPA to award degrees by way of conferring on it the status of University in August, 2006 under Section 3 of the UGC Act, 1956.
