MISSION AND OBJECTIVES

- *To be a National Centre for excellence in educational planning and administration, intended to improve the quality of planning and administration in education by means of study, generation of new ideas, and techniques and disseminating them through interaction with, and training of strategic groups and to achieve the same;*
 - *To organise pre-service and in-service training, conferences, workshops, meetings, seminars and briefing sessions for senior educational officers of the Central and State Governments and Union Territories;*
 - *To offer M. Phil./Ph.D./Post-Doctoral Programmes;*
 - *To organise orientation and training programmes and refresher courses for University and College administrators connected with educational planning and administration;*
 - *To develop networking of Institutions engaged in identical task as that of this University and to play supportive and collaborative role so that State/UT and regional levels are gradually undertaken by them;*
 - *To organise orientation programmes, seminars and discussion groups for top level persons, including legislators, in the field of educational planning and administration at policy making level in Central and State Governments;*
 - *To undertake, aid, promote and coordinate research in various aspects of educational planning and administration, including comparative studies in planning techniques and administrative procedures in the different States of India and in other countries of the world;*
 - *To provide academic and professional guidance to agencies, institutions and personnel engaged in educational planning and administration;*
 - *To offer, on request, consultancy service to State Governments and other educational institutions;*
 - *To act as a clearing house of ideas and information on research, training and extension in educational planning and administration services and other programmes;*
 - *To prepare, print and publish papers, periodicals and books in furtherance of these objectives and especially to bring out a Journal of Educational Planning and Administration;*
 - *To collaborate with other agencies, institutions and organisations, including the University Grants Commission, the University Institutes of Management and Administration and other allied institutions in India and abroad, in such a way as may be considered necessary for the promotion of these objectives;*
 - *To offer fellowships, scholarships and academic awards in furtherance of the objectives of the National University;*
 - *To confer honorary fellowships on eminent educationists for their contribution in the field of educational planning and administration; and*
 - *To provide, on request, facilities for training and research in educational planning and administration to other countries, especially of the Asian Region, and collaborate with them in programmes.*

AN OVERVIEW

National University of Educational Planning and Administration (NUEPA) is an apex Indian institution in educational planning and administration. Beginning as the UNESCO Regional Centre for Training of Educational Planners, Administrators and Supervisors in Asia and the Pacific in 1961-62, NUEPA is now a Deemed University, fully sponsored by the Government of India. As it has changed its status and has become an autonomous organization, there has been a paradigm shift in its philosophy, functioning and development. It has shifted its focus from being primarily a delivery institution to a resource institution. Earlier, the emphasis was on staff training; it has now shifted to research and professionalization of capacity building efforts. NUEPA is basically a research University – aiming at supporting human capacity building through research.

According to its charter, the University carries out five major sets of activities. These are:

- Research
- Training
- Consulting
- Extension
- Dissemination

In order to carry out these activities, the University has organized itself into ten academic departments. The Departments are:

- Department of Educational Planning
 - Department of Educational Administration
 - Department of Educational Finance
 - Department of Educational Policy
 - Department of School & Non-Formal Education
 - Department of Higher & Professional Education
 - Department of Comparative Education and International Cooperation
 - Department of Educational Management Information System
 - Department of Inclusive Education
 - Department of Foundations of Education
-

The academic activities of the University are briefly described below:

Capacity Building

Programme Thrust

The major thrust in capacity building is on promoting research in the area of educational planning and administration, as also networking of training facilities in educational planning and administration and training of trainers so as to develop training capabilities at the regional, state, local and institutional levels. The University also conducts M. Phil. and Ph. D. Programmes towards this end.

In the training programmes emphasis is given to areas such as Education For All, Micro-level Planning, District Level Planning, Institutional Planning and Evaluation, Non-Formal and Adult Education, Planning and Management of DIETs, IASEs and other such institutions, Tribal Education, Decentralized Administration, Gender Issues, Computer Applications, and Planning and Development of: (i) Academic Staff Colleges; (ii) Autonomous Colleges; and (iii) Planning and Management of Quality.

Coverage

During the current year, the University conducted 44 programmes. These programmes provided opportunities to 1477 participants drawn from various parts of India and from as many as 44 countries and international bodies. The foreign participants numbered 78.

Training Material

As a part of capability building at the regional, state and national levels, self-learning modules, papers, statistical data, reports on planning and administration have been prepared by the University. In every training programme, a set of reading materials pertaining to the themes of the programme, prepared by the faculty and culled from various sources, is provided to the participants.

Training Methodology

NUEPA is an interdisciplinary institution. Therefore, all its training programmes are also designed with an interdisciplinary focus. Without exception, programme methodologies are informed by state-of-the-art multi-channel learning systems, including lectures and lecture discussions, simulations, role-play, case studies, practical and syndicate work, seminars, etc. NUEPA classrooms are well equipped with modern educational technology facilities like computers with LCD projectors, video and television, overhead projectors, white marker boards, panaboard, etc. One of the major interventions in programme methodologies is field visit that encourages participants to explore for themselves the innovative organizational and management methods.

Programme planning is oriented towards a participative approach. It begins with the initiative of the individual faculty members; their research proposals are reviewed at the Department level with Heads of Departments, Faculty level at the Faculty Council, followed by processing through Academic Council, Finance Committee, and Board of Management that comprise external experts. Before launching the programme, each programme is further discussed elaborately by a Task Force Committee specifically constituted for the purpose. The participants evaluate each programme at the implementation stage and the feedback is used to modify and improve future programmes.

M. Phil and Ph.D. Programmes

The National University offers M. Phil and Ph.D. programmes in educational planning and administration from a broader inter-disciplinary social science perspective since 2007. The three programmes leading to M.Phil. and Ph.D. degrees currently being offered are as under:

- i. Full-time Integrated M.Phil.-Ph. D. Programme
- ii. Full-time Direct Ph. D. Programme
- iii. Part-time Ph. D. Programme

Under Full-time Integrated M. Phil-Ph.D. Programme, the University offers M. Phil degree (two-years duration). The two-year M. Phil. programme comprises one year of course work(30 credits) followed by one year for dissertation work(30 credits). On successful completion of the M. Phil. programme scholars are considered for registration to the Ph. D. programme. Such scholars are eligible to submit their Doctoral thesis only after two years of registration for the Ph. D. programme. Scholars admitted to the Direct Ph. D. Programme are expected to complete the one year course work before confirmation of their Ph. D. registration after which they are eligible to submit their thesis after two years from the date of confirmation for registration to the Ph.D. programme. A part-time Ph. D. scholar would be eligible for submission of his/her Ph. D. thesis after a minimum period of four years from the date of confirmation for registration to the Ph.D. programme.

The first batch of 21 scholars joined M. Phil. and Ph. D. Programmes in July 2007. NUEPA offers fellowships to all the admitted scholars for the full time programme.

Achievements in Research

NUEPA extended its outreach in research activities covering a wide spectrum in school and tertiary levels of education. The University has undertaken research at four levels: NUEPA-funded Research by the Faculty and other Researchers; International-funded Collaborative Research, National level Research Projects, and Scheme to sanction researches/seminars on National Policy of Education.

NUEPA-funded Research by the faculty

Seventeen research studies/ projects were initiated during the financial year of 2007-08. These research studies mainly focused on:

- Access and Equity in School Education;
- Small Schools;
- Girls' Education;
- Education of the Disadvantaged Groups;
- Financing of School/Higher Education;
- Participation of Muslims in Higher Education;
- Financing of Elementary Education;
- Salary and Mobility of Teachers in Higher Education;
- Functioning of Parent Teacher Association;
- Revitalization of Humanities Programme in Higher Education;
- Profile of Different Secondary Schools Under the Control of Government;

- Development of Higher Education in South Asia;
- Access, Participation and Learning Achievement in the Slums of Million Plus Cities;
- Post Enumerative Survey of DISE Data-2008-09; and
- Private Universities in India.

Four researches were initiated to provide specific inputs to the Chadha Committee set-up by the UGC for recommending the scales of pay for teachers of university and colleges to the Sixth Pay Commission.

International Collaborative Research

- As partner of the International Consortium for Research on Educational Access, Transactions and Equity (CREATE) with University of Sussex, United Kingdom, NUEPA continued to work on access, participation and transition at elementary stage. So far review papers on 11 themes are in its final stages. Four of these papers along with a Country Analytical Review of India and a monograph on small, multi-grade schools have been published in 'Pathways to Access'. In addition, the CREATE team at NUEPA conducted a community and school survey covering 90 schools and 6431 households from 36 villages in two clusters of Madhya Pradesh and one cluster of Chhattisgarh. Besides, thematic researches conducted by NUEPA faculty members are in progress.
- In addition, NUEPA signed an MOU (May, 2008) with Stanford University and undertaken a collaborative research project on potential economic and social impacts of rapid expansion of higher education in Brazil, Russia, India and China (BRIC).

National level Research Initiatives

- The mid-decade assessment for "Education for All" has been initiated with focus on "Reaching the Unreached" in collaboration with MHRD and with the support from UNICEF and UNESCO. The report is under publication.
- The National Evaluation of Mid-day Meal Scheme being conducted by NUEPA for M/HRD is in progress.

Grant-In-Aid Committee

- The MHRD has given additional responsibility to NUEPA to promote initiatives to implement National Policy on Education (1986/1992). Under the scheme, NUEPA provides financial assistance to various governmental, semi governmental and nongovernmental organizations after proper scrutiny of their proposals. During the current financial year, NUEPA has supported as many as 24 proposals worth Rs. 85,40,000/-.

Consultancy and Professional Support

Consultancy and professional support is an integral part of the charter of NUEPA. It is intensely involved in educational policy making, planning, implementation and evaluating various schemes and programmes of the Ministry of Human Resource Development, Planning Commission, University Grants Commission and various other national bodies. NUEPA offers its professional support at all levels of education. It also extends its support to the state governments and state level organizations like SCERTs, SIEMATs, State Councils of Higher Education, etc. Besides the national and state level support, NUEPA also provides

consultancy and professional support to international organizations like UNESCO, World Bank, SIDA and other agencies.

In recognition of the expertise of its faculty, several faculty members of NUEPA are called upon by various international agencies for consultation in international settings. A new ground was broken when NUEPA was called upon to provide professional support to a project on decentralized planning in the neighbouring country of NEPAL, under an internationally funded project.

Dissemination & Extension

Publications

The primary mode of dissemination of NUEPA's research and conceptual knowledge is through publications. It has generated, over the years, a strong publication programme with several major components.

NUEPA functions as the focal point of the Asian Network of Training and Research Institutions in Educational Planning (ANTRIEP). It publishes the NUEPA Newsletter and the ANTRIEP Newsletter.

NUEPA brings out a professional periodical in English – *Journal of Educational Planning and Administration (Quarterly)*. The high quality of the journal fetches nearly 40 international journals on exchange basis. NUEPA also brings out *Pariprekshya* as its Hindi journal.

During the year under report, eight issues of Journals – four each of the Journal in English and Hindi, and one issue of the ANTRIEP Newsletter were brought out.

There are two occasional publications – one, called *Occasional Paper* contributed by the faculty members and the second, *Best Practices in Education*, a documentation of educational innovations in practice.

NUEPA also publishes research reports, conference proceedings, and scholarly output of its faculty. It has also taken the initiative to publish scholarly works and research reports as priced publications. It has also collaborated with private publishers for publication and dissemination on behalf of NUEPA.

During this period, the University also brought out Training Calendar, Announcements of IDEPA and DEPA Programmes, etc. besides several mimeographs and research papers.

Extension Activities

Extension activities mainly relate to conducting request based field programmes, serving as the resource faculty for the government and other agencies, delivering lectures, presenting papers in seminars and conferences and participating in collaborative research activities in the national and international projects.

Other Initiatives

Eminent Scholar Lecture Series

The University has started an Eminent Scholar Lecture Series wherein it invites senior scholars from different fields to give lectures on contemporary issues. This year the university has organized as many as four lectures under the series which are as under:

- *Our Expectations from School and How May We Meet Them* by Prof. P.M. Bhargava, July 25, 2007.
- *Policies and Tensions in the Financing of Education: Perspectives from UNESCO's International Institute for Educational Planning (IIEP)* by Prof. Mark Bray, November 19, 2007.

- *The Changing Environment of Higher Education and Some India-Centric Concerns*, by Prof. M.S. Ananth, February 12, 2008.
- *The Philosophy of Education as a Knowledge Field* by Prof. C. Seshadri, March 31, 2008.

Foundation Day Lecture

The University celebrates its foundation on 11th August every year. This year Prof. Prabhat Patnaik, Vice Chairman, Kerala State Planning Board delivered the first Foundation Day lecture on “Alternative Perspectives on Higher Education in the Context of Globalization”.

Academic and Supporting Departments

The academic programmes of the University are conducted by its ten Academic Departments. A brief account of these academic and the supporting departments is given below:

Academic Departments

Department of Educational Planning: With the shift of emphasis from centralized to decentralized planning, the main effort of the Department is on integration of inputs, processes and products of planning at institutional, district, state and national levels. With the onset of liberalization of the economy, the focus has also shifted to strategic, indicative rather than comprehensive planning in the conventional sense. The Department conducts training programmes and undertakes research in these areas and also provides consultancy to various bodies.

Department of Educational Administration: The focus of the Department is on training and research in educational management. It conducts programmes both for institutional heads and area level officers.

Department of Educational Finance: This Department focuses its activities on crucial issues of policy, planning techniques and management of financing of education, viz., mobilization of governmental and private resources, allocation of resources and utilization of resources in primary, secondary and in higher and technical education, in formal and non-formal forms of education, and in literacy and adult education. Public financing of education, and internal and external efficiency of investment in education are the other serious concerns for research and training.

Department of Educational Policy: This Department focuses its activities on crucial items of educational policy, planning, implementation, review, monitoring and evaluation at all levels, viz., school, formal, non-formal, higher, adult and distance education at centre, state and institution levels. It works as a national support system in policy formulation, its implementation, review and analysis. The Department also works for capacity building of policy makers, planners, administrators and implementers through training, research, and consultancy, in addition to conducting of seminars, workshops and discussion meets in the crucial areas of doctoral research, rotational headship, self-financing courses, deemed university, human rights, women studies, etc.

Department of School and Non-formal Education: The prime focus of this Department is on crucial issues of school education, non-formal education, adult literacy and inclusive education, providing strong empirical base in order to contribute more meaningful inputs for developing and improving education. The six-month Diploma Course in Educational Planning and Administration, a regular contribution of this Department, is one of the most prestigious training programmes of the University. The Department

maintains close linkages with government, non-government and international agencies with the objective of restructuring educational system at sub-national, national and international levels.

Department of Higher and Professional Education: This Department works for generation and dissemination of knowledge/information in planning and management of higher education; developing the planning and management competencies among key personnel in higher education through training programmes and workshops for college principals and senior university and state officials; and providing technical and professional consultancy to policy, planning and implementing organizations and institutions of higher education.

Department of Foundations of Education: The Department examines from the inter disciplinary perspectives various social forces, institutions and human relations which influence both theory and practice of education.

Department of Comparative Education and International Cooperation: This Department provides the international interface of NUEPA. The six-month International Diploma in Educational Planning and Administration (IDEPA) for senior educational policy makers, planners and administrators is the flagship programme of the University. Seventy-five developing countries have benefited from the programme. In addition, the Department offers, on demand, tailor-made country specific programmes on educational planning and management. Comparative research on educational planning and management is another unique feature of this Department. On behalf of NUEPA, this Department brings out a bi-annual newsletter of the Asian Network of Training and Research Institutions in Educational Planning (ANTRIEP) for dissemination of information on research and innovation in educational planning and administration among member institutions.

Department of Educational Management Information System: This Department deals with system level management issues, including logistics management, information systems, control systems, computer applications, operations research in education, project formulation and monitoring, and implementation decision support systems, etc. Another special focus is on capacity building in computer applications among state and district level staff in the design, development and implementation of information systems. The Department also provides technical and professional support for EMIS for the *Sarva Shiksha Abhiyan* and the erstwhile District Primary Education Project. ORSM also works as a service Department looking after the LAN, NUEPA Website, and software development for institutional management.

Department of Inclusive Education: This Department focuses on the conceptualization of Inclusive Education, with specific reference to education of children and youth with disabilities. It also deals with national and international policy and instruments, statements, and Acts formulated in India and other countries for addressing the concerns and issues of persons with disabilities, role of NGOs, Universities, Apex Institutions, Ministries of Health, Labour and Welfare in Planning and Management of Education for children and youth with disabilities.

Supporting Departments

Library and Documentation Centre: A resource centre on educational planning and administration, NUEPA Library and Documentation Centre has a collection of 34,078 books and 19,360 volumes. It receives about 237 Indian and international journals and academic periodicals regularly. Totally computerized and networked, the library provides referencing services through Internet, ERIC and DELNET based virtual

library mode. The library in fact is a treasure house of research material on educational planning and administration.

The Documentation Centre offers a unique collection of official reports, documents and other publications of the Central and State Governments, such as state gazetteers, state census reports, world handbooks, educational surveys, five-year plans, etc. For current documents on education in India, there seems to be no better source.

Publication Department: NUEPA has a publishing programme for dissemination of research and developments in education in the form of occasional papers, journals, newsletters, books and reports. Some of the important periodical publications are: Journal of Educational Planning and Administration, *Pariprekshya*, ANTRIEP Newsletter, and NUEPA Newsletter. It also publishes various research and seminar/conference reports in the form of books. The University is bringing out a series of reports of survey on educational administration in various States and Union Territories.

Electronic Data Processing (EDP) Department: This Department backs up the information technology needs of the University. NUEPA leads in using information technology in day-to-day activities, both academic and non-academic. Every faculty member, every administrative and finance Department as well as the library, have the latest computing facilities, with Internet and e-mail services for the faculty members. The Department contributes computer awareness and appreciation module in various training programmes.

Hindi Cell: The Cell offers academic support to research, training and dissemination through rendering in Hindi professional literature on educational planning and management. The cell also helps in implementing the official language policy.

Cartography Cell: This Cell provides computerized mapping and other cartographic services for research and dissemination by developing innovative presentations of data and information through maps, graphs, display charts, tables and transparencies.

Administration and Finance

Administration

The administrative set up of NUEPA includes general, academic and personnel administration. As on March 31, 2008, the University had a total sanctioned strength of 163 staff members, both academic and administrative.

Finance

During the year 2007-08, the University received a grant of Rs 1040.00 lakhs (Rs 284.00 lakhs under Non-Plan, Rs 756 lakhs under Plan). The University had an opening balance of Rs 45,459.37 both under Plan and Non-Plan. The internal office and hostel receipts amounted to Rs 66.12 lakhs during the year. The expenditure during the year under Non-Plan and Plan amounted to Rs 1051.47 lakhs.

The University had a balance of Rs 193.28 lakhs and received additional funds amounting to Rs 167.19 lakhs during the year 2007-08 for the sponsored programmes/studies from other agencies. The expenditure during the year on sponsored programmes/studies amounted to Rs 137.76 lakhs.

Campus Facilities

The University has a four-storied office building, a seven-storied hostel comprising 60 fully furnished rooms with attached baths, and a residential complex having 16 Type I quarters, 8 quarters each of Type II to V, and the Director's residence. Construction of one additional room in the 25 expandable houses, acquired by NUEPA in Bindapur, Dwarka has been completed. Hostel receipts amounted to Rs 26.50 lakhs during the year.

2

TRAINING

Training is one of the important functions of the University. During the year under review, the University organized National Diploma, Orientation and Training Programmes, Workshops, Seminars and Conferences etc. for officers of Education Departments of States/Union Territories as well as for university and college administrators engaged in the task of educational planning and administration. The University also conducted International Diploma Programme for educational planners and administrators of developing countries.

Approach and Thrust

Training programmes are designed keeping in view the training needs emanating from new developments in the field. Training needs identified by the participants and the decision makers are also taken into consideration while designing the programmes. Suggestions and feedback given by participants on earlier occasions are kept in view while organizing the programmes. Task Forces are constituted to discuss details of the programmes.

Apart from above, the priority areas, such as planning and management training for school heads, planning and management of secondary and higher education, methodology and techniques of district planning in education under SSA, planning and management of SCERTs/DIETs, quantitative research methods in education, planning and management of Universalization of elementary education (UEE), role of computer in education, etc, are also kept in view while planning the training calendar of the University. Programmes are also conducted for the educational personnel working in DPEP/SSA districts.

The University continues to play its pivotal role at international level by organizing the training programmes, workshops, seminars and conferences for educational functionaries from developing countries in collaboration with various international agencies.

NUEPA is gradually shifting its training emphasis towards the training of trainers and networking with state and regional institutions, and university departments of education.

Training Material

NUEPA faculty remains actively involved in the preparation of research/training materials for training programmes. These training materials serve as background papers given to the participants during the programmes. These materials are supplemented by published literature on the subject concerned.

Evaluation

Every training programme is formally evaluated. At the end of each training programme every participant is asked to evaluate the training programme on a structured Performa. In programmes of longer duration, the evaluation is also preceded by one or two mid-term evaluations.

Participation

During the year 2007-2008 the University organized besides the Diploma Courses, 40 Orientation/Training Programmes, Workshops, Seminars, Conferences and Meetings etc. at national and international levels. Out of total 1417 participants, 1339 were Indian participants and 78 from other countries and international agencies. The list of programmes organized during the period is given in Annexure I.

Programmes organized during the year belong to two categories: (a) Diploma Programmes; and (b) Thematic and General Programmes in Educational Planning and Management, and theme based short-term programmes at national and international level. The category-wise programmes are given in Table I.

National Diploma Programme in Educational Planning and Administration (DEPA)

The University completed the third phase of twenty-seventh Diploma Programme during the year 2007-2008, (May 7-11, 2007) the first phase of which had commenced from September 1 – November 30, 2006 and second and third phases of the same programme were conducted between December 01, 2006 and May 2007.

The twenty-eighth Diploma Programme commenced during September 1, 2007. The programme had three components:

- (i) Three months' intensive curricular work at NUEPA from September 1, 2007 to November 30, 2007;
- (ii) Three months' of project work undertaken by the participants in the districts of their posting from December 1, 2007 to February 2008.
- (iii) Five-day workshop based on Project Reports

The programme was based on lecturer-discussion, panel discussion, case studies, simulation and group discussion on the identified themes. Sufficient time was devoted to practical exercises, library-based assignments; Inter-state field visit and visits to some important educational institutions. Besides these, each trainee was given on the job training, which included supervised project work at the place of work of the particular trainee for a period of three months. They were also required to submit a summary along with their project report.

A comprehensive evaluation of the programme was conducted at the end of the first phase. The participants felt that objectives of the programme were fully realized. Some suggestions were also given towards the sequencing of courses, improvement of infrastructure facilities, etc.

The 28th DEPA team visited the state of Orissa during October 31 to November 7, 2007. This state visit was conducted for familiarizing the participants with the educational innovations and other activities being undertaken by the state. This also provided an opportunity to them to learn more about the cultural context of education. During this visit, participants could gain adequate learning experience and exposure to the innovative activities taken by the Institute of Mathematics and Applications: Sahidnagar, BBSR, Kalinga Institute of Social Sciences (KISS), Bhubaneswar, Gopinath Upgraded Upper primary School, DAV Public School, Chandrasekharapur, Bhubaneswar; Ravenshaw Collegiate School Cuttack,, Saraswati Charitable Foundation: NGO at Puri and Akshaya Patra foundation at Puri. The participants had an interaction with state Project Director, SSA and SCERT Director of Orissa in addition to various other experts and eminent educationists of the state.

Apart from the inter-state visit, the participants also visited the local institutions like IGNOU; Gyan Bharati School, New Delhi; Pratham an NGO working for urban deprived children in Delhi.

The twenty-seventh (Phase III) and twenty-eighth programmes had 45 participants. State-wise participation is given in Table V.

International Diploma Programme in Educational Planning and Administration (IDEPA)

NUEPA has been organizing six-month International Diploma Programme in Educational Planning and Administration (IDEPA) for educational planners from developing countries every year since 1985. Twenty-Third IDEPA Programme commenced in February 1, 2007 and was completed on July 30, 2007. The Twenty-Fourth Diploma Programme commenced on February 1, 2008. The course structure consisted of two components: (i) Phase I, three months intensive curricular work at NUEPA; and (ii) Phase II, three months field research project in the home country, through his/her own efforts. The methodology of the programme sought to strike a balance between theory and practice. Broadly, it included lecture discussions, simulation and practical exercises, role-plays, case discussion, management games, search conferences, demonstrations, group discussions and panel discussions, and participants' seminars for encouraging them were special features of the course methodology.

The programme also lays emphasis on academic exercise at micro-level, educational cultural field visits, field educational attachments and enrichment lectures. Educational field attachments constitute a major component of exercise of the IDEPA participants at the micro-level in addition to other major areas, which encompass the whole programme. This year the educational field attachment involved visits to and attachments with supra level institutions in and around Delhi and outside Delhi. This year, educational attachments involved visits and attachment with institutions in the states of Haryana and Maharashtra. For each such visit a nominated trainee/field advisor gave a report on the educational visit to particular

institutions. The participants visited various educational departments and other educational institutions of Haryana and Maharashtra.

Sixty-five educational planners from various countries participated in these two programmes. Country-wise participation in the twenty-third & twenty-fourth IDEPA is given in Table VI.

Computerization

Computers: The Library is fully computerized and equipped with Pentium-IV Server and computer terminals. LibSys (Rel. 5.0) – an integrated multi-user library management software package – is being used to store all library databases. It consists of different modules like cataloguing, acquisitions, circulations, serials, article indexing and OPAC. All the systems are connected to LAN, thus helping the faculty and other users to access online electronic information/e-databases from their respective desktops. Web OPAC (Online Public Access Catalogue) facility has also been extended to users. Online information is also provided in the form of: List of New Additions to Library, Contents of Periodicals, Education File, and Information on National and International Conferences.

Networking: Being a member of the Developing Library Networking (DELNET) since 1995, online access facility to union catalogues of 1283 libraries in Delhi is also available. These libraries also have online access to NUEPA Library holdings. This strengthens the Inter-Library Loan service and facilitates resource sharing in meeting the requirements of users of such documents which are not available in the Centre. Besides this, the Library is connected to other institutions located in other parts of the country through RENNIC.

Services

Periodicals Holdings: During the period under review, Library prepared holding of the 5,603 bound journals for the reference of information users.

Current Awareness: The Library continued to bring out its fortnightly mimeographed publication “Periodicals on Education: Titles Received and Their Contents” to keep the users informed about the contents of the journals on education received every fortnight.

Online Journals: During the year two online databases – Elsevier Database, and Sage Educational Database, were purchased. The Elsevier Database provides online connectivity to 8 journals (via www.sciencedirect.com while the Sage Educational Database provides online access to 33 journals (via <http://onlinesagepub.com>).

Bibliography: The Library prepared bibliographies for the various activities and training programmes undertaken by the University.

Acquisitions: Computerized monthly lists of additions to the Library were prepared for updating the readers about documents and articles of interest and new arrivals.

Selective Dissemination of Information (SDI): Library channeled new items of information from various sources to University's academic units and research project teams.

Photocopying: Photocopying services were provided to users on payment basis for reference material like articles or reports etc., which are available for reference purpose only.

Non-Print Material: The Library is a multi-media resource centre containing videocassettes, audiocassettes, films, microfilms and microfiches.

CD-ROM Databases: The following databases are available in the Library:

Separate Audit Report of the Comptroller and Auditor General of India on the Accounts of National University of Educational Planning and Administration for the year ended 31 March 2008.

We have audited the attached Balance Sheet of National University of Educational Planning and Administration (University) as at 31 March 2008 and Income & Expenditure Account/Receipts and Payments Account for the year ended on that date under section 20(1) of the Comptroller & Auditor General's (Duties, Powers and Conditions of Service) Act 1971. The audit has been entrusted for the period upto 2010-11. These financial statements are the responsibility of University's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the law, rules and regulations (Propriety and Regularity) and efficiency-cum-performance aspects etc., if any are reported through Inspection Reports/CAGs Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- (i) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- (ii) The Balance Sheet and Income & Expenditure Account/Receipt and Payment Account dealt with by this report have been drawn up in the format approved by the Ministry of Finance.
- (iii) In our opinion proper books of accounts and other relevant records have been maintained by the National University of Educational Planning and Administration in so far as it appears from our examination of such books.
- (iv) We further report that:

A Balance Sheet

A.1 Liabilities

A.1.1 Provisions

No provision had been made for Gratuity, Pension and Leave Encashment as required under the common format of accounts for autonomous bodies.

A.2 Assets

A.2.1 New Pension Scheme

NUEPA has not taken into account the new pension scheme's fund amounting to Rs. 3.83 lakh

kept in separate bank account resulting in understatement of current assets and liabilities by Rs. 3.83 lakh.

A.2.3 Investment

The investments in respect of Provident Fund were not made as per the pattern prescribed by the Ministry of Finance vide no. F -5 (53)/2002-ECB & PB dated 24.1.2005.

B. General

B.1 The fixed assets included gifted books valuing Rs. 30,360.

B.2 Lack of Response

The management did not furnish reply to the audit observation during the stipulated period.

C. Grants-in-aid

The Council received Grants-in-aid of Rs. 10.40 crore (Plan Rs. 7.56 crore and Non-Plan Rs. 2.84 crore). The Council had its own receipts of Rs. 0.64 crore. It utilized Rs. 12.15 crore (Plan Rs. 8.14 crore and Non-Plan Rs. 4.01 crore).

D. Management letter Deficiencies which have not been included in the Audit Report have been brought to the notice of the University through a management letter issued separately for remedial/corrective action.

(v) Subject to our observations in the preceding paragraphs, we report that the Balance sheet and Income and Expenditure Account/Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.

(vi) In our opinion and to the best of our information and according to the explanation given to us, the said financial statements, read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India:

a. in so far as they relate to the Balance Sheet of the state of affairs of the National University of Educational Planning and Administration as at 31 March 2008; and

b. in so far as they relate to the Income and Expenditure Account of the deficit for the year ended on that date.
